**Comments on Reasons for Allowance**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

Regarding the "Statement of Reasons Allowance" in the Notice of Allowability, applicant wishes to note two (2) errors that appear in the copy of claim 7 reproduced on page 2 of the Notice of Allowability, namely the recitation in line 2 of "normally" and in line 3 of "cam." The term "normally" should be "movably" and the term "cam" should be "card." The proper terms are reflected in the Amendment filed December 10, 2004 in which document claim 7 was introduced with the proper terms.

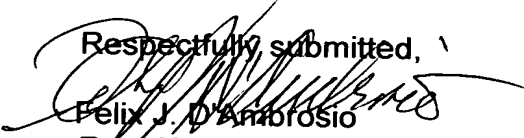

Since the record shows claim 7 with the proper rendition of the noted terms, an amendment under 37 CFR 1.312 to correct claim 7 is not deemed necessary.

It is respectfully requested that the USPTO copy of the Notice of Allowability be corrected to reflect the proper terms as noted above.
